THE COMPANY

Established in 1962 by the late Roger Zaccar, **Commercial Insurance** offers insurance services. Since then, it has proven its success through a sound financial track record and a visionary marketing approach. The company was the first to implement the 24-hour customer call center, Assistance Line Operator (ALO 1280), and continuously updates its services to be ahead of the market.

Commercial Insurance operates from its headquarters in Beirut Starco Center-Downtown and is supported by its offices located in Zouk Mikael. It aims at expanding regionally in the coming years.

OUR SERVICES

Commercial Insurance, together with its sales force, agents, and brokers proposes the most suitable insurance solutions to its clients, with particular emphasis on customer service.

Wherever **Commercial Insurance** operates, it is the reference in servicing, with the support of its young and yet experienced and well- trained technical team.

Backed by 47 years of experience and by first class reinsurers, **Commercial Insurance** has become the preferred insurer among young executives who seek personalized service for themselves and their companies.
